

Hey family,

First and foremost i want to say that i am excited about things to come in our area. i believe that if we all work together we can make this area awesome. I would like to get a new phone number list together for us all to have. There isn't much to report right now. Look forward to serving along side with everyone.

In loving service,  
Jason

## Vice Chair Report

3/20/16

I met with Brenda M. on 3/17/16 at Trustmark bank in regards to the area bank account. Chair and Treasurer were unable to attend this meeting; in the coming week we intend to add Jason T. (Chairman) and Cheryl S. (Treasurer) to the account. The difficulty has been in finding a time and date that was convenient for all involved but we hope to have this quickly resolved. The account was transferred successfully. Unfortunately I forgot to grab a current bank statement when I was at Trustmark. That will also be rectified this week.

I have in my possession now the master file for the Area Meeting Schedules. Should changes need to be made we now have the capability to do so. I have also spoken with Adams Printing and they have been made aware that leadership positions have transitioned.

In regards to the current area website, Brenda M. and I discussed the possibility of migrating the files and account information for Vice-Chair to manage. At this time, it is the recommendation of the Vice-Chair that this not be done. Brenda M. has graciously offered to continue management and updating of the area website until such time as we complete the previously discussed transition to regional management of the website, should the GSRs choose this course of action. The problem is that management of the website would require the Vice-Chair to acquire the proper software, which I am willing to do; additionally, however, there is a steep learning curve involved with management of the necessary html code. While I am willing to undertake this, it does not at this time seem to be a prudent use of time and resources. I am willing to remain involved as the liaison between Area and Brenda M. for the website until such time as it is no longer needed. Of course, as always, I defer to the judgment of the GSRs.

I would like to thank Brenda M. for her continued service and help, and I thank the GSRs and their respective groups for the opportunity to serve the fellowship that you have all given me. I believe that while we have a lot of work to do in search of unity and the furtherance of our primary purpose, we will be successful in these endeavors in the coming year.

In loving service,

Derek Y.
